## > AID STATIONS

Look after our environment!

Please only dispose of your canteen  
in the designated area!

We will only give you another canteen  
after you have dropped it!

Please only use the refreshment stations  
in the immediate vicinity of the refreshment point!

Information about the „litter zone”

and its rules can be found at ETU rule book.

The end of the litter zone is indicated by a sign!

## ➤ INDIVIDUAL REFRESHMENT

Individual refreshment after 60 km then in all small circuits will be possible!

Location: after the central refreshment station

on the right side of KÁPOLNA Street, **BUT ONLY HERE! FOR ACCIDENT PREVENTION REASONS IT IS FORBIDDEN IN OTHER PLACES !**

Please do not disturb with the individual refreshments the faster cyclists.

Faster cyclists must use the **left side** of the street **the left lane**, refreshments will be provided **in this lane is FORBIDDEN!**

Violation of this rule will result in referee action may result in a penalty.

## ➤ CYCLE

„Cut off time”

5:00 AM (CET – 12:30 PM) for starting the first small laps of cycling

9:00 AM (CET – 4:30 PM) for starting the fourth (last) small laps of cycling

finally: 10:30 AM for starting the run (CET – 6:00 PM)

### No drafting!

For a rider breaking this rule, the race referee will call the attention of the racer with a blue card, **after which the racer must go to the Penalty Box for a 3-minute time penalty.**

On the second blue card, the competitor will be disqualified from the race.

**The „Penalty Box”** - the control of the cyclist's laps in front of the chip carpet.

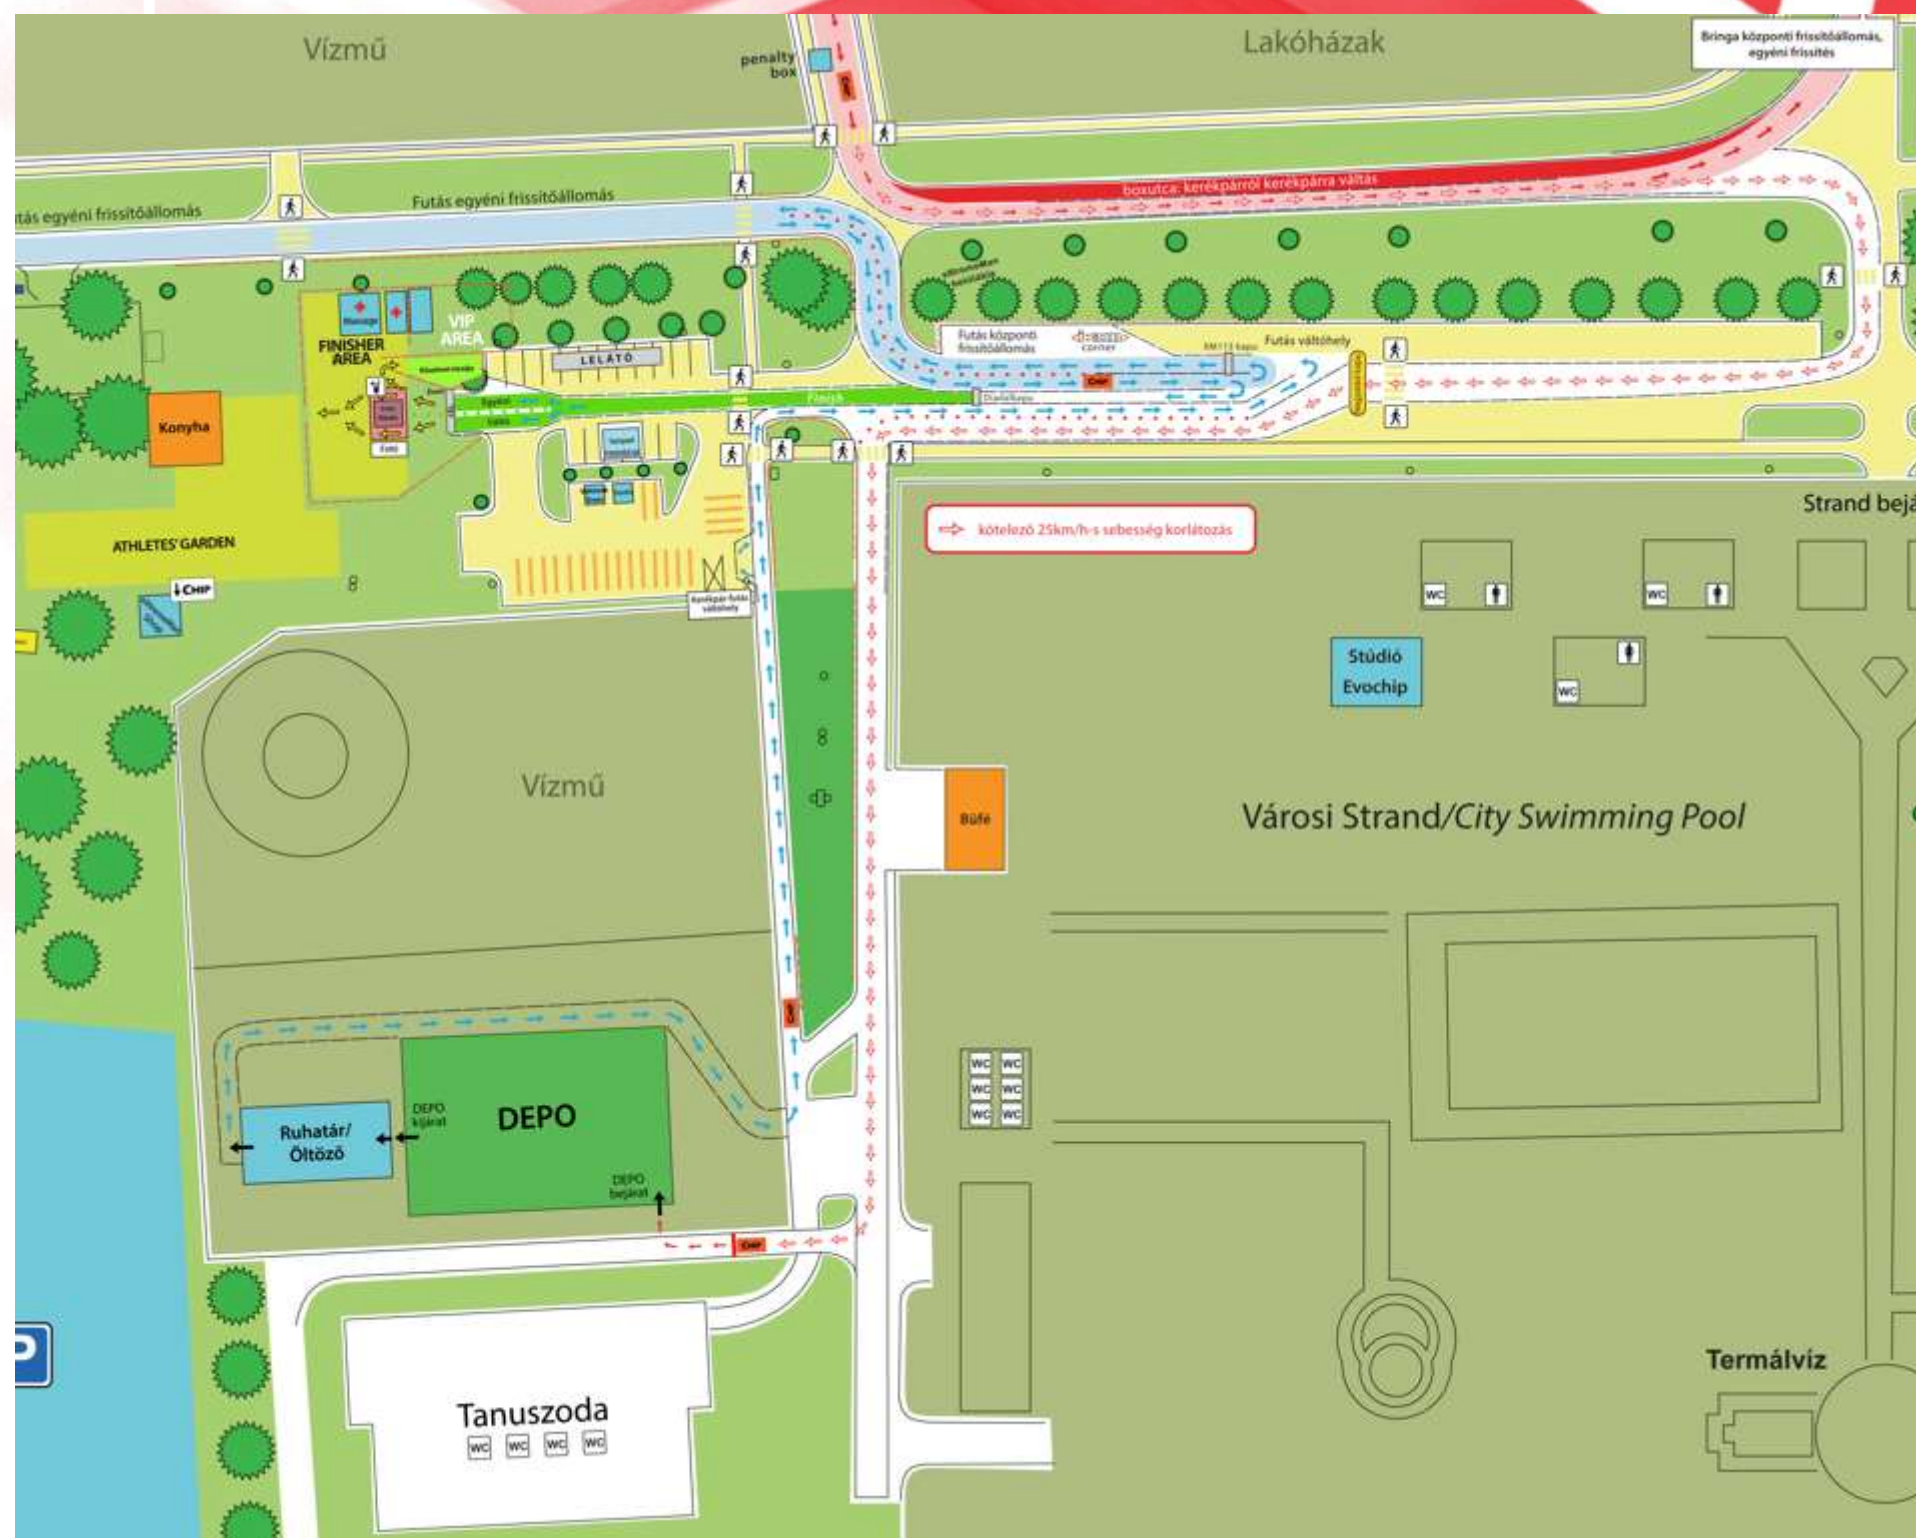

## ➤ AT THE END OF THE BIKE...

At the end of cycling, in the last 500 meters before dismounting (from the end of Alkotmány street, from the chip mat before the high stand to the dismounting mat before the second transition area), the competitor must adhere to the maximum speed limit of **25 km/h**, which will be monitored by race judges.

If someone completes the last 500 meters in less than 70 seconds, they will receive a three-minute time penalty added to their running time.

After dismounting, the competitor must place their bike in the numbered bike depot, and then change into their running gear in the changing tent. In the transition area, only the helmet (fastened) and cycling shoes may remain on the bike.

The riders on the “temporary containers” will hang their cycles, from where the organizers will take the bikes, and put them in the numbered places. After dismounting, the rider will find the bag marked RUN where they placed it the day before on the racks in the changing tent. There he changes his clothes they can start their run.
